Oxford University Press. S S = 200 Madison Avenue* New York, NY 10016

"This is no mere reference book but one to read with infinite pleasure marvellously representative of more than a century of British industry and commerce." Business Review.

The Dictionary of Business Biography.

The contemporary writings offered in this anthology reflect these concerns and vividly convey a sense of mid-Victorian society and the changes undergone by Britain during these forty years. *Culture and Society in Britain 1850-1890* approaches the period through the arts (high and popular), philosophy, religion, and history (social and political), in a way that will appeal to the general reader as well as to a wide range of students, including those following the Open University Arts Foundation course. This book will be the set reader for the Open University's Arts Foundation Course from 19 Borrow this book to access EPUB files. IN COLLECTIONS. Books to Borrow.
