Introduction to political sociology. Political sociology lies at the intersection of the politics of sociology and the sociology of politics. In this introductory course we trace the changing parameters of this intersection in three successive periods since the Second World War. Our narrative of the politics of sociology begins with the political sociology of the 1950s which presented itself as an alternative to and a critique of Marxism. Typically, it defended liberal democracy against communist (and fascist) totalitarianism. This era of self-confidence and cold war prompted critiques from an Start studying Introduction to Political Sociology. Learn vocabulary, terms and more with flashcards, games and other study tools. - German sociologist and economist: Political Parties: A Sociological Study of the Oligarchical Tendencies of Modern Democracy, 1911 - "Iron law of oligarchy" - "Who says organization, says oligarchy." - A psychological assumption: man's inherent nature to crave power, once having attained it, to seek its perpetuation; majority apathetic towards public affairs - Technical incompetence: direct involvement impossible; division of labor - Leaders and followers: "Leaders never give up their power to the 'mass' but only to other, new leaders." week lecture political sociology political sociology and integration theory influenced sociological method has influences of german sociologist max weber. - Political sociology asking the question of 'why do states integrate?'
