The Illustrated Encyclopedia of Tartan: A Complete History and Visual Guide to Over 400 Famous Tartans

By Iain Zaczek; Charles Phillips

Southwater, 2014. Soft cover. Condition: New. This is a complete history and visual guide to over 400 famous tartans. It is a comprehensive and informative visual directory of tartans, both ancient and modern. It contains a fascinating account of how tartan is woven into every aspect of the story of the Scottish nation, examining its history, origins, and contemporary uses. It shows how Scotland's heritage now extends far beyond her shores, and how tartan is used to unite and identify a diverse ancestral tradition. It is lavishly illustrated throughout with evocative fine art images and a complete directory of major tartan sets, from the Bruce clan to the Stewarts. It includes corporate and international tartans as well as family and associated tartans. This illustrated guide provides a detailed insight into the origins and history of tartan, from the very earliest samples, through those worn by the warring clans in the Stuart rebellions, to the Katsushika Japanese Dancers. The first section details the story of tartan, with information on the way the fabric and weaves developed and how it became a symbol of resistance. The main part of the book is a directory illustrating the major clan tartans followed by international...

Reviews

This composed ebook is wonderful. It really is written in basic words rather than hard to understand. You may like the way the writer compose this pdf.
-- Ryder Nolan

This book can be well worth a go through, and a lot better than other. It is written in simple words and phrases and not confusing. Its been printed in an exceptionally simple way in fact it is merely right after i finished reading through this pdf by which basically changed me, modify the way i think.
