Buy Now.Â One cannot hope to understand the mind of the Japanese youngster without having some idea of the images they have been bombarded with from birth. This book gives excellent analysis. Just remember to drink lots of caffeine if you are planning to take it in large doses. This book explores the monstrous-feminine in Japanese popular culture, produced from the late years of the 1980s through to the new millennium. Raechel Dumas examines the role of female monsters in selected works of fiction, manga, film, and video games, offering a trans-genre, trans-media analysis of this enduring trope. The book focuses on several iterations of the monstrous-feminine in contemporary Japan: the self-replicating shÅjo in horror, monstrous mothers in science fiction, female ghosts and suburban hauntings in cinema, female monsters and public violence in survival horror games, an
