

## CV Form

### Personal Information

Azam Shahbodaghi [shahbodaghi@sbmu.ac.ir](mailto:shahbodaghi@sbmu.ac.ir)

Department of Medical Library and Information Sciences, School of Allied Medical Sciences,  
Shaheed Beheshti University of Medical Sciences, Tehran, Iran

### Educational Background

PhD student of Health Information Management (Shahid Beheshti University of Medical Sciences 2014- present)

Master of Library and Information Sciences (Tehran University; 2003)

Bachelor of Library and Information Sciences (Tehran University; 1998)

Associate degree of Library and Information Sciences (Alzahra University; 1993)

### Academic Administrative Appointments/ Professional Experience

**2006- present:** faculty member of Medical library and Information Sciences Department

**2013-present:** Supervisor on master thesis

**2013-present:** Advisor on master thesis

**2010-2013:** Head of the Department (Department of Medical library and Information Sciences of Shahid Beheshti University of Medical Sciences)

Shahbodaghi A. Faculty member of the Department of Medical Library and Information Sciences, School of Allied Medical Sciences, Shaheed Beheshti University of Medical Sciences

**2009-2010:** Deputy of the Department (Department of Medical library and Information Sciences of Shahid Beheshti University of Medical Sciences)

**2009-2013:** Executive editor of Journal of Paramedical Sciences

**2009-2013:** Member of Research and Educational Committees of the school

**2009-2013:** Member of Graduate Studies Committee of the school

**2006-present:** Member of committees of different Conferences, Congresses and Seminars

**2014-Present:** Thesis Reviewer (Master theses of Medical library and Information sciences and Health Information Technology)

**2006-present:** Reviewer of different research proposals

**2006-present:** Reviewer of different approved journals

**2006-present:** Reviewer of different Conferences and Congresses and Seminars

### **Taught Master's courses**

- Research Methodology
- Research Seminar
- Medical reference and databases
- Information Resource Management
- Medical Information Systems(different fields)
- Management of Library and Information Centers

## **Taught PhD's courses**

- Documentation and research report writing(PhD by Research)
- Medical Information Systems(different fields)

## **Main Topics of Taught Workshops (2006-present)**

- How to find scientific information on the Internet(3 levels)
- Guidelines for writing a literature review
- How to cite sources in scientific writings
- PubMed, Medline, PMC, MeSh
- Citation Databases(ISI, Scopus, Googlescholar)
- Endnote
- Other important scientific databases (such as Science direct, Proquest, Springer,...)

## **Research Interests**

- Scintometrics
- Research Methodology
- Citation styles
- Scientific Information retrieval
- Health Information Management
- Collection Development

## Approved Projects and Proposals

- **Research executive-** Development of educational and research minutes Database for School of Allied Medical Sciences (terminated)
- **Research executive-** Survey of quantitative and qualitative trends of Sahid Beheshti University publication during 1996 till 2012 based on Scopus and Web of Science
- **Research executive-** Comparative analysis of survey indicators of medical journals in Scopus and Web of Science databases by 2013(terminated)
- **Research executive- Investigation** of different affiliations of shahid beheshti University of Medical Sciences in scientific publications and their effect on the result of research activities evaluation in the year 1391 (**terminated**)
- **Research assistant** – Indexing and Abstracting of Shahid Beheshti University of Medical Sciences research projects 1986-2006 (**terminated**)
- **Research assistant** – A scientometric study of media literacy literature based on Scopus record through 2011(terminated)
- **Research assistant** - A scientometric study of \_media literacy\_ literature based on **Web of science** record through 2011(terminated)
- **Research assistant** - A scientometric study of media literacy literature based n **Pubmed** record through 2011(terminated)
- **Research assistant-** The healing effects of Music therapy. Tehran: Raznahan, 2011

### **Supervisor of Theses**

- 1- Asadzandi, Shadi Investigation of different affiliations of shahid beheshti University of Medical Sciences in scientific publications and their effect on the result of research activities evaluation in the year 1391
- 2- Mehrabi, Raheleh. Comparative analysis of survey indicators of medical journals in Scopus and Web of Science databases by 2013
- 3- Farhadi, Arezoo. Survey of structural status of journals approved by the Ministry of Health based on the selection criteria in prestigious international indexing databases in 2014
- 4- Hafezi, Rahil. A survey of knowledge management infrastructure in the libraries of Shahid Beheshti University of Medical Sciences from the librarian's perspectives
- 5- Karabati Neshin, Mohammad. Investigation of scientometric indicators of citing articles to publications of Iranian Medical Universities of type one based on Web Of Science

### **Advisor of Theses**

- 1- Abbasi Zahra. Comparison of citation indicators of subscription and open access journal based on Scopus reports in the field of library and information science from 2004 to 2013
- 2- Nosratinia, Davood. Quality assessment of services of Neyshabur academic libraries by Libqual indicators.
- 3- The Comparison of Y-Index in scientific output of Iranian Medical Universities of type 1 with H-index and average citations according to Web Of Science in 2012

## **PUBLICATIONS**

### **Publication in peer reviewed journals**

- 1- Shahbodaghi A, Asadzandi S, Shekofteh M, Zayeri F, Rezaei Tavirani M. Investigation of Different Affiliations of Shahid Beheshti University of Medical Sciences in Scientific Publications and Their Effect on the Result of Research Activities Evaluation. *Journal of Payavard Salamat*. 2016 Sep 15;10(4):350-9.

- 14- Shahbodaghi, A. citation rules in author guides of approved journals of Ministry of Science Research and Technology and Ministry of Health and Medical Education. Informology. 2003; 1(1):55-76.

## **Books**

- Horri A, Shahbodaghi A. Citation styles for scientific writings: International guidelines. Tehran: Tehran University; 2006.
- Horri A, Shahbodaghi A. Citation styles for scientific writings: International guidelines. 2<sup>nd</sup>. Tehran: Tehran University; 2009.

- Vash, Hossein, under the supervision Shahbodaghi A. The healing effects of Music therapy. Tehran: Raznahan, 2013.
- Syyedin, F., Shahbodaghi A, et al. – Indexing and Abstracting of Shahid Beheshti University of Medical Sciences research projects 1986-2006. Tehran: Khosravi; 2010.

### **Chapter of book**

- Shahbodaghi A. Citation style. In Gachkar L. Preparing the proposal: stage A. Tehran: Shahid Beheshti University of Medical Sciences; 2005.

## **Papers Presented at seminars, conferences and congresses**

### **Type of presentation: Poster**

- 1- Shahbodaghi A, Emami H. Scientometric investigation of the publication trends of Biotechnology literature in the field of pharmacology through 2013 based on Scopus. The First International and 9th National Iranian Biotechnology Congress June **2015**. Iranian Biotechnology Society. *(full text of article printed in the conference proceeding)*
- 1- Shahbodaghi A, Sajjadi S. A survey of scientometric indicators of Chemistry Articles Published by Type 1 Iranian Medical Universities in Web of Science from 1993-2012. The Second National Seminar on the Role of Basic Sciences on Health Promotion; March, 2013, Shahid Beheshti University of Medical Sciences.
- 2- Shahbodaghi A., et al. A Scientometric Study of Health Literacy Literature Based on Pubmed Record through 2012. The Second National Seminar on the Role of Basic Sciences on Health Promotion. March, 2013, Shahid Beheshti University of Medical Sciences.

- 3- Mehrabi, R, Shahbodaghi A. Scientometric study of Gonabad Medical University based on Scopus 2010-2012. The Second National Seminar on the Role of Basic Sciences on Health Promotion. March, 2013, Shahid Beheshti University of Medical Sciences.
- 4- Kamkar, H., Shahbodaghi A. Evaluation Criteria sets for Electronic Resource Management in medical Libraries. The Second National Seminar on the Role of Basic Sciences on Health Promotion March, **2013**, Shahid Beheshti University of Medical Sciences.
- 5- Shahbodaghi A, et al. Investigating the trend followed by scientists worldwide (from 1945 to 2009 as cited by PubMed) to use Chemistry in health research on prevention, diagnosis and therapy. The First National Seminar on the Role of Basic Sciences on Health Promotion, March, **2011**, Shahid Beheshti University of Medical Sciences.
- 6- Shahbodaghi A, et al. Investigating the trend followed by scientists worldwide (from 1945 to 2009 as cited by PubMed) to use Physics in health research on prevention, diagnosis and therapy. The First National Seminar on the Role of Basic Sciences on Health Promotion March, **2011**, Shahid Beheshti University of Medical Sciences.
- 7- Shahbodaghi A, et al. Investigating the trend followed by scientists worldwide (from 1945 to 2009 as cited by PubMed) to use Mathematics in health research on prevention, diagnosis and therapy. The First National Seminar on the Role of Basic Sciences on Health Promotion March, **2011**, Shahid Beheshti University of Medical Sciences.
- 8- Shahbodaghi A, et al. Investigating the trend followed by scientists worldwide (from 1945 to 2009 as cited by PubMed) to use Life science in health research on prevention, diagnosis and therapy. The First National Seminar on the Role of Basic Sciences on Health Promotion March, **2011**, Shahid Beheshti University of Medical Sciences.
- 9- Shahbodaghi A, et al. Proteomics Literature using ISI reports from 1990-2006. The First Iranian Proteomics Congress, **2007** Tehran University

- 10- Ahmadi, A. Souri, H, Shahbodaghi A. Important methodological notes in epidemiologic surveys on HIV/AIDS. The Fourth National Congress of HIV/AIDS. **2012**, Infectious Diseases & Tropical Medicine Research Center, Shahid Beheshti University of Medical Sciences
- 11- Shahbodaghi A. Survey of qualitative and quantitative trends of publications of Shahid Beheshti University of Medical Sciences members based on ISI citation databases. 2009. National Conference on research and production of medical science. Babol Medical University. *(full text of article printed in the conference proceeding)*

**Type of presentation: Oral**

- 2- Shahbodaghi A, Mehrabi, R. et al.. Comparative analysis of survey indicators of medical journals in Scopus and Web of Science databases by 2013. 2nd National Conference of Book & Reading: Media & Health. October 2016. Tabriz Medical University.
- 3- Shahbodaghi A, et al. A scientometric investigation of overlaps between medical and natural sciences in terms of prevention, diagnosis and treatment worldwide versus Iran from 1945-2009. The First National Seminar on the Role of Basic Sciences on Health Promotion March, 2013, Shahid Beheshti University of Medical Sciences.
- 4- Shahbodaghi A. Scientometric study of Iranian medical informatics articles based on ISI citation databases. The First National Seminar on Medical Informatics 2011, Shahid Beheshti University of Medical Sciences.
- 5- Shahbodaghi A. Scientometric Study of Knowledge management articles. National Conference of Knowledge Management and Information Science: Links and interactions, 2009 National Library of Iran. *(full text of article printed in the conference proceeding)*

## **Honors and awards**

- 2009 Distinguished teaching award as the best faculty member of Shahid Beheshti University of Medical Sciences
- 2006; 2009; 2010: Several Appreciation Letter for the sake of honest efforts
- 2008: Appreciation Letter for publishing the book entitled “Citation styles for scientific writings: International guidelines”

Include your job goal, your educational background, your work experiences, any teaching experiences you have had, and the transferable skills you have, such as leadership, team building, organizing, training, supervising, and disciplining skills. JOBS. resumes-for-teachers.com. For healthcare professionals, the details behind your educational background and professional experience is especially important to crafting a tailored resume.
