Waugh E. *Waugh in Abyssinia*. Harlow, Essex, England: Longman, 1936. Contents † Acknowledgments. The literature regarding the history of gynecologic surgery is a testament to the fast pace of advancement yet a controversy to what is currently practiced. Richard H. Meade says of the task of writing the history of surgery “the task is undertaken with due humility” [1]. His words resound clearly when discussing the history and evolution of current gynecologic surgery and in particular pelvic floor surgery. It appears that our first understanding and knowledge of pelvic organ prolapse comes from the ancient Egyptians [1]. In the Kahun papyrus of Egypt, dating to 2000 BC, and in the Ebers pa...
