Mormons believe that they can progress spiritually by marrying in the Mormon temple, where they are ritually sealed to their spouses, not just for time, but for eternity. They're changing their prayers from "Please, please take this away from me" to "God, are you OK with me being gay?" And the answer that God gives back is "Yes!" A small but growing number of straight Mormons appear to agree with that answer. Erika Munson, a mother of five and the founder of "Mormons Building Bridges," organized the Mormons' participation in the parade, hoping to show that Mormonism isn't "or at least shouldn't be" against the gay community. "The church," she said, "teaches that Jesus walks away from none." Period. *Building the City of God: Community and Cooperation Among the Mormons*. By Leonard J. Arrington, Feramorz Y. The Mormons appeared to be recreating a feudal land-ownership chain, with tenure given for services, and the heirs barred from direct inheritance. Alternately, one might imagine in his deed the transformation of Zion's entire domain into glebeland, or perhaps an entire region of the USA turned into a "use," except that the trustee did not agree to support the heirs of the original owner.Â The community of Sanpete finally divided its common meadow into strips three rods wide and two miles long. Such a division, they argued, "more justly" divided up the better and the poorer lands, and the gentile historian might see in this a reaffirmation of what most scholars consider to have been the classic justification of strip farming in early medieval practice.
