In the first chapter, "Social Epistemology and Social Learning," Olivia Saracho and Bernard Spodek discuss the social and historical contexts in which different forms of knowledge are formulated based on the perspective of social epistemology. They also discuss the emergence of social epistemology, which guides researchers to investigate social phenomena in laboratory and field settings.Â

Childhood â€” This article is about the phase of human development known as childhood. For the Michael Jackson song, see Childhood (song).Â

International education â€” The term international education can mean many different things and its definition is debated. Some have defined two general meanings to the concept of international education in regard to students. Start by marking
