"Postmodern Cities and Spaces" brings together a group of writers and critics from diverse disciplinary and geographical backgrounds. It links the architectural and the physical, the aesthetic and the sexual, and the real and imaginary, within a broad discussion of postmodern cities and spaces. The book then examines these urban spaces as a site for 'postmodern politics' - in Bombay, in South Africa, in New York and Los Angeles. Customer reviews. There are no customer reviews yet. This latest mutation in spaceâ€”postmodern hyper-spaceâ€”has finally succeeded in transcending the. Postmodern Urbanism. 53. capacities of the human body to locate itself, to organize its immediate surroundings perceptually, and cognitively to map its position in a mappable external world (Fredric Jameson 1991:44). Taking Los Angeles Seriously.Â Watson, S., and Gibson, K., eds. 1995. Postmodern Cities and Spaces. Cambridge: Blackwell. Weiss, M. 1987. The Rise of the Community Builders: The American Real Estate Industry and Urban Land Planning. New York: Columbia University Press. Wolch, J. 1990. The Shadow State: Government and Voluntary Sector in Transition. Post-modern culture and its cities. Postmodernism is presented as an anti-Modern movement seeking to escape from everything that had so.Â concept of cities. Amnesiac spaces. Time and space are presented as basic issues when developing an urban space. Thus, we might speak of. urban space as temporary â€” corresponding to the memory and previous experiences of the individual. For. the same reason, spatial models are built by memory elements.
