Black Saga is a remarkably comprehensive reference book that highlights the key issues and accomplishments of African American from the late fifteenth century through the present. The people, pl More than 500 years of history are brought to life in this illustrated encyclopedia, whose panoramic scope offers a vivid, definitive chronology of the African-American experience. Black Saga is a remarkably comprehensive reference book that highlights the key issues and accomplishments of African American from the late fifteenth century through the present.

African American history is about much more than chronicling a series of "firsts." The time and place of a breakthrough reflects not only remarkable individual achievement but is itself an indication of the progress or lack of progress of black people in realizing the centuries-old intertwined goals of freedom, equality, and justice. Our 2014 Black History Month Observance examines the progress toward those goals by acknowledging those who were the first in their fields of endeavor. We at BlackPast.org have assembled the following list which provides the names of the first African Americans in Are you sure you want to remove Black Saga: The African American Experience from your list? Black Saga: The African American Experience. A Chronology. by Charles M. Christian. In West Africa three great empires - Ghana, Mali, and Songhai - emerged between A.D. 500 and 1600. The Physical Object. Black Americans made extraordinary contributions to American society despite the astonishing, unusual and unconscionable treatment they have endured in Ameri PowerNomics and Dr. Claud Anderson. 7 July at 15:54 .
