Kathleen T. Horning, a Paperback from HarperCollins,

The chapter on reviewing covers the distinction between reviewing and criticism and then takes a soup-to-nuts approach to preparing and composing a review. An excellent resource for any reviewer, this has special application for libraries serving information schools and for school districts that maintain in-house reviewing programs. - -Ann Welton. Read more. Review. "Anyone entering the field of children's book reviewing, or indeed, the wider field of children's literature, will find *From Cover to Cover* an excellent guide." (ALA Booklist). "Succinct, highly readable, and eminently useful." (Bu *From Cover To Cover* is an invaluable resource for all professionals who wish to write book evaluations that go beyond a simple personal response. This definitive guide to reviewing children's books makes it effortless for parents, teachers, librarians, children's literature students and general readers who are interested in becoming children's book reviewers to assess the strengths and weaknesses of a children's book. An authoritative reviewer in her own right, Kathleen Horning provides practical guidelines for reading critically, evaluating an initial response, answering questions raised duri *From Cover to Cover* is an invaluable resource for all professionals who wish to write book evaluations that go beyond a simple personal response. This definitive guide to reviewing children's books makes it effortless for parents, teachers, librarians, children's literature students and general readers who are interested in becoming children's book reviewers to assess the strengths and weaknesses of a children's book. An authoritative reviewer in her own right, Kathleen Horning provides practical guidelines for reading critically, evaluating an initial response, answering questions raised duri

Includes bibliographical references (p. [195]-220) and index. A critical approach to children's books: How children's books are published -- The parts of a book -- Categories of children's books -- Books of information: Authority and responsibility of the author -- Organization -- Illustrations -- Design -- Writing style -- Documentation of sources -- Traditional literature: Classification of traditional.
