"Design education is global now and education has to reflect that...there is a need to reach people beyond walls of campus and education others." President Rosanne Somerson. Watch below. vimeo.com. Design without borders The future of globalisation and the industry. Patrick Llewellyn, Rosanne Somerson, Tim Kobe, Charlie Smith and Erika Allen Like it or not, designers are tied to globalisation. They have no choice but to understand Rhode Island School of Design. Yesterday at 11:49. Founded in 1877, the Rhode Island School of Design is a private arts school located in Providence, Rhode Island on a campus adjacent to Brown University. It is one of the best-known studio art schools in the USA. The close physical relationship between RISD and Brown has translated into an academic partnership; the students have access to Brown University libraries and the Providence Athenaeum. The two institutions share social, academic, and community resources and offer joint courses as well. The school offers 16 undergraduate majors and 17 graduate majors. RISD is a member of the Associatio
