A 'read' is counted each time someone views a publication summary (such as the title, abstract, and list of authors), clicks on a figure, or views or downloads the full-text. The Gauteng Intergovernmental Transport Charter (Charter) is a high-level agreement between the transport MMC's of the six municipalities and the provincial MEC Public transport debates. more substance, less gimmicks. Richard Allsop. In a market economy, decisions about travel choices are ultimately made by individuals deciding the optimal mode of transport for their needs. On the political Left, and often more broadly, there are perennial calls for public transport to be "improved". The argument is that not only would this deliver better transport outcomes, it would also fix perceived environmental and land use problems allegedly caused by over reliance on the private motor car.
