[Frommer's Maui Day by Day](#)

By : **Jeanette Foster**

Frommer's Maui Day-by-Day Guide is the complete up-to-date reference for visitors who want to maximize their stay in the smartest, most time-efficient way. This invaluable guide offers reviews on a wide array of sightseeing, lodging, shopping, dining and entertainment options in all price ranges, and also includes thematic and walking tours of the city's best-loved neighborhoods with Frommer's trademark candid and accessible expertise.

[Anchorage and Southcentral Alaska: Second Edition](#)

By : **Deb Vanasse**

The allure of its soaring mountains, pristine glaciers, and spectacular wildlife has been drawing visitors and new residents to Alaska for years. And what better place to begin than its largest city, which abounds in both natural and cultural splendors? From salmon fishing and dogsledding to cruising glaciers and flight-seeing in the bush, this authoritative guide shows you how to take full advantage of the many wonders of a city and a region where pretenses dissolve, and people are drawn together by their love of the outdoors and the spectacular beauty of the place.

[Das Leben war ein Pfeifen. Kubanische Fluchten](#)

By : **Michael Saur & Thomas Schuler**

Eine Insel im Meer des Kapitalismus, die darauf wartet, dass die Zukunft beginnt, sich die Wartezeit aber durchaus lustvoll zu vertreiben weiß, das ist das Kuba, dem Michael Saur und Thomas Schuler auf ihrer Reise begegnen. Wo Touristen Salsa lernen, vor allem aber Liebe suchen und meist die

eigene Nostalgie finden. Die Autoren lassen sich von Havanna verzaubern, das "schön wie ein aus den Fluten wieder aufgetauchtes und vom Meer angefressenes Atlantis" ist, und erzählen von der musikalischen Wiege Kuba, wo man einen Compay Segundo oder Ibrahim Ferrer an jeder Straßenecke findet; denn wie sagt man in Kuba: "In jedem Kubaner steckt ein ganzes Orchester." Dabei bleiben Saur und Schuler den traurig-komischen Absurditäten des kubanischen Alltags auf der Spur: Sie berichten über die Probleme der Köchin der Nation, in einer Mangelgesellschaft eine Koch-Show zu moderieren, und besuchen die Arbeiterstadt Moa, wo verdiente Kubaner in einem Hotel ohne Strom Urlaub machen dürfen. Und sie treffen Menschen aus dem nächsten Umkreis Fidel Castros: seinen Leibfotografen, der das berühmte Che-Guevara-Bild schoss, und die Deutsche Marita Lorenz, eine ehemalige Geliebte Castros, die den Comandante im Auftrag der CIA vergiften wollte.

Frommer's Shortcut Hawaii Big Island

By : **Jeanne Cooper & Shannon Wianecki**

An essential stop for any visitor to Hawaii, the "Big Island" of Hawaii features the unforgettable active volcanoes of Volcanoes National Park (a World Heritage site), ranches tended by Hawaiian cowboys, beachfront hotels of every size, historic local towns, superb shopping, and more. And this pocket-sized Shortcut Guide covers the best of them. It gets immediately to the point, and confines itself to the vital facts about lodging, dining, sightseeing, sea-bathing, golfing, and shopping, supplying the exact amount of detail that many readers regard as sufficient. The price of each book is refreshingly low, the usefulness excitingly high.

The Ascent of Denali (Mount McKinley)

By : **Hudson Stuck**

Though born and raised in England, explorer HUDSON STUCK (1865-1920) epitomized the adventurous New World spirit of the American West at its closing. Drawn by the wide-open spaces, Stuck, an Episcopal priest and champion of a rugged brand of "muscular Christianity," volunteered in 1904 to serve as the archdeacon of the Yukon; his spiritual domain encompassed 250,000 square miles of interior Alaska. Here, he achieved international fame by leading the first successful expedition, in 1913, to scale the highest peak in North America: Mount McKinley, though Stuck, long a defender of native culture, insisted on calling it by its Indian name, Denali. In this 1914 book, Stuck regales us with his dramatic account of the journey, from the dangers posed by sudden storms to the beauty of the glaciers, from the unexpected setbacks-like the fire that swept through their gear-to the "infinite attractiveness" of the challenge. Armchair travelers and lovers of extreme sports alike will thrill to this exciting tale.

The Good Rain

By : **Timothy Egan**

A fantastic book! Timothy Egan describes his journeys in the Pacific Northwest through visits to salmon fisheries, redwood forests and the manicured English gardens of Vancouver. Here is a blend of history, anthropology and politics. From the Trade Paperback edition.

[USA, La Côte Ouest](#)

By : **Jean Hamon**

La préparation d'un périple en Californie assez exhaustif et exigeant fut très agréable. Parcourant, la côte du Pacifique de San Francisco à San Diego pour revenir dans les terres par la suite. De Palm Springs Jusqu'à Yosemite, Lake Tahoe et nous reviendrons vers Sacramento, Napa valley et finalement San Francisco.

[Death Valley National Park](#)

By : **Jay J. Sperling**

A well balanced one-stop guide to Death Valley National Park in California. This book is the perfect companion for planning and seeing the park. All major features, hikes and other landmarks are described in detail as the book guides you through the park. Activities, wildlife, plants and geology are discussed and explained. High peaks surround the lowest valley in the USA. Death Valley National Park in southeastern California is a geologic wonderland and a place of extremes - the hottest place on earth. This family-friendly guide is perfect for those who want to explore the beauty of this park on a short vacation. We've kept it short but well-researched, so you neither get lost in the book nor in the park. And we've packed it full of color photos, so you can start the vacation in your head before you even get there. It's your one-stop guide for everything you need to know to plan your visit, including:

- How to get the most out of your visit
- "Don't miss spots" in the park
- Fun activities in the park
- Wildlife and Vegetation
- Background information
- 108 full-color photographs

This is the third volume in a new book series guiding you to and through great "don't miss spots" of our beautiful nation. Each book presents one destination for travelers to enjoy as part of a round-trip or by itself. The books are focused on the beauty and uniqueness of the national parks.
