Ms. Krueger analyzes the North American Free Trade Agreement, and its prospective enlargement to a Western Hemisphere free trade agreement, in light of its impact on the multilateral trading system. While such arrangements can be "GATT plus", they can also be GATT substitutes. The author outlines the ways in which the presence of regional arrangements can detract from the open multilateral trading system, especially at a time when the new World Trade Organization should be the focal point of energy and attention. She is the editor of "The WTO as an International Organization" and "The Structure and Evolution of Recent U.S. Trade Policy," as well as the author of "American Trade Policy: A Tragedy in the Making," [Read more](#).
