Dr. Susan Love's Menopause and Hormone Book: Making Informed Choices: All the Facts about the New Hormone Replacement Therapy Studies. By Susan M. Love, Karen Lindsey. Publisher: Crown Publishing Group, January 2003. ISBN: 0609809962. MY HERO recommends this book to adult readers. Dr. Love stresses that menopause is not a disease that needs to be cured—it is a natural life stage, and every woman ought to choose her own mix of options for coping with symptoms. A questionnaire about your own health history and life preferences helps you develop a program that will best fit your unique needs. She is the author, with Karen Lindsey, of the renowned Dr. Susan Love's Breast Book. She lives in Los Angeles. Dr. Love is author of both Dr. Susan Love's Breast Book (considered the bible of breast care books) and, more recently, Dr. Susan Love's Hormone Book: Making Informed Choices About Menopause. Her books contribute to "health literacy:" defined as the capacity of individuals to obtain, interpret, and understand basic health information and services (and the competence to use such information and services) in ways to enhance health. I can't see you Ann because of the lights but where are you? Please stand up Ann, if you're out there. Let's give a round of applause to Ann Browning, who is the Assistant Director in the Center and has made all of the arrangements for this event. Every year we bring to the University, speakers who enrich our understanding of academic literacy. Dr. Love is author of both Dr. Susan Love's Breast Book (considered the bible of breast care books) and, more recently, Dr. Susan Love's Hormone Book: Making Informed Choices About Menopause. Her books contribute to "health literacy:" defined as the capacity of individuals to obtain, interpret, and understand basic health information and services (and the competence to use such information and services) in ways to enhance health. I can't see you Ann because of the lights but where are you? Please stand up Ann, if you're out there.
