I Shut The Door (EW, F, A)

Lyrics: Anonymous / Tune: Debbie Carroll © 2004 SOCAN

I shut the door
 And I lock it tight
 I put the key right out of sight
 I find the key
 To open the door
 And I turn, and I turn,

And I turn some more,
 And then I open the door.

(Debbie's songs are from The Eensy Weensy Book of Fingerplays)

This is The Boat [RS](F)

This is the boat , the golden boat, [cup both hands to make a boat]

 Running along, running along, [make fingers run]
 To take the oars of ivory white [actions as before for the last lines]

 That move the boat, the golden boat,
 Over the silvery sea.

I found this additional verse in a 'Sing a Song with Baby' by
 Mary Thienes Schunemann:

Here is the moon so big and round (trace a circle around baby's face)
 That shines on the boat
 That is homeward bound
 Back to the harbour safe and sound (cuddle baby)
 From its sail on the silvery sea.

Seed in the Ground

by Connie Kaldor on 'A Duck in New York City'

If you've got the sun and if you've got the rain

 A root growing out from the seed in the ground

A shoot growing out from the root from the seed in the ground
 A stem growing out from the shoot from the root from the seed in the ground

A bud growing out from the stem from the shoot from the root from the seed in the ground

The Truck Song Kathy Reid-Naiman [RS]

They're building a building in the middle of the town,

And I can see the trucks moving all around,

Each one has a job to do

Cause they're all part of the building crew.

And the digger diggers dig, dig dig,

And the compactors pack down down the dirt like this.

And dump trucks haul all the dirt away

and the crane takes the beam to the top of the roof

HAND TALES

3 Little Pigs *Carol Ashton*

Hold up 3 fingers for pigs on one hand and make a wolf head (like a duck) with the other hand. Blow each finger away behind back with rhyme, one at a time. At the end bring piggy fingers back from behind back and crawl them into bed and asleep.

3 little piggies were sitting in the house,
when along came the wolf as quiet as a mouse.
He said, "Little pigs, little pigs, let me come in!"
"Not by the hair of our chinny, chin, chin!"
Then that old wolf huffed, and that old wolf blew,
And away one little piggy flew.

**repeat for second piggy.*

One little piggy was sitting in the house,
when along came the wolf as quiet as a mouse.
He said, "Little pig, little pig, let me come in!"
"Not by the hair of my chinny, chin, chin!"
Then that old wolf huffed and that old wolf blew,
And away the last little piggy flew.

No little piggies were sitting in the house,
when along came the wolf as quiet as a mouse.
He said "Little pigs, little pigs let me come in!"
But there was no one home to answer him.
So that old wolf turned and went on his way,
Saying "I'll be back again another day."
Later that night, back the piggies did creep.
They crawled into bed and fell fast asleep.

Jack's House *Kathy Reid-Naiman ©2003 [RS]*

This is the house that Jack built *[arms up fingertips touching form a tent]*

With windows walls and a floor, *[make circles like glasses, then both hands straight up, then palms down and together move them slightly apart]*

A roof to keep the rain out *[make tent thing again,]*
And a peep hole in the door *[make a circle with thumb and index finger and hold it up to one eye]*

This is the key to Jack's house *[hold up one thumb]*
It opens up the lock *[hold other hand up straight turn 'key' in it]*
But if you haven't got the key *[... shake your head]*
You're going to have to knock. *[Knock on hand /door]*

1. Jack has built a little house he's built it on a hill
And if he hasn't moved away I guess he lives there still
He's built it for his lovely wife two children, a dog and a cat
And when the house was finished he put out the welcome mat.

Chorus: This is the house that Jack built

With windows walls and a floor,

A roof to keep the rain out and a peep hole in the door

This is the key to Jack's house it opens up the lock

But if you haven't got the key...you're going to have to knock.

Knock, knock, knock, knock

You're going to have to knock.

2. Jack has built his little house put carpets on the floor

Put curtains on the windows and painted the walls and doors.

He's built a cozy fireplace to keep them from the cold
And there they live quite happily or so I have been told.
Chorus:

Tom Thumb *[RS]*

Now I'll tell you a story and this story is new,
So listen very carefully, and do as I do.
This is Tom Thumb - and this is Tom Thumb's house,
These are Tom Thumb's windows and this is Squeaky Tom Thumb's mouse.
One morning very early when the sun began to shine;
Squeaky mouse sat up in bed and counted up to nine.
Then Squeaky made a jump and landed right on Tom Thumb's bed;
She quickly ran up Tom Thumb's arm and sat on Tom Thumb's head.
Squeaky pulled his hair and Squeaky pulled his nose,
Until Tom Thumb jumped out of bed and put on all his clothes.
Then they sat down to breakfast
And ate a crust of bread,
And when that was all quite finished
Here's what Tom Thumb said:
Now I'll tell you a story and this story is new....

Mr. Wiggle and Mr. Waggle

Hold up both thumbs in front of you about 2 feet apart—hands in fists.

This is the story of Mr. Wiggle and Mr. Waggle. *(show thumbs then put them in their houses)*

Mr. Wiggle (right thumb) lived in his house over here on this high hill and Mr. Waggle lived over here in his house on this hill. In between them was another very big hill.

One morning Mr. Wiggle peeked out his window (thumb pokes through fingers) and said to himself "it looks like a very nice day", so he opened up his door 'POP' (open hand) he went outside 'POP' (pop out thumb) and he closed his door 'POP'. (Close door)

"Why it is a very nice day—I think I'll go for a walk to see my friend Mr. Waggle" So he went down the hill and up the hill and down the hill and up the hill *(thumb goes up and down the imaginary hills)* until he came to Mr. Waggle's house. He knocked on the door— 'Knock knock knock' (pause) but there was no answer. So called "Mr. Waggle" but still there was no answer. So he knocked a little louder will you help me knock? — 'KNOCK, KNOCK, KNOCK'. But still there was no answer. Maybe he is in the back yard. Will you help me call him? 'MR.. WAGGLE!!!" But there was no answer because Mr. Waggle wasn't home.

So he went down the hill and up the hill and down the hill and up the hill till he came to his own house. He opened up his door POP, he went inside POP and he closed the door POP.

The next day (repeat for Mr. Waggle)

The next day: Mr. Wiggle and Mr. Waggle peeked out their windows POP POP, (repeat for both)

They went down the hill and up the hill—and they met at the top of the hill. And they talked and they talked and they talked until they both were tired. So they said "Goodnight Mr. Wiggle" "Goodnight

EXTRAS

Motorcycle Ride *Kathy Reid-Naiman February 26, 2012*

Turn the key...vroom vroom vroom
Open the Throttle VROOM VROOM, VROOM
Now we're ready for a motorcycle ride
On the road we go side to side
On the hills we go up and down
On the curves we go round and round
Side to side
Up and Down
Round and round
Whoops fall down!

Toboggan Hill Feb 2015

We're climbing up to the top of the hill to the very top of Toboggan Hill!
Now we start to slide, going side to side
Faster as we go, then we tumble in the snow. Boom

Let's Take a ride Sept 2014

Let's take a drive in the country out on the country road
Through the hills and the valleys down where the river flows
Sometimes the road is bumpy, sometimes the road is smooth

But it's always nice in the country out on the country road.

Here we come to a winding road where the road goes round and round
And around and around and around and around and around and around and around

Here we come to a bumpy road and we're bumping up and down
Sometimes we bump so high in the air that we land right on the ground.

The hills are high and the valleys low and the rivers deep and wide.
Wildflowers grow by the side of the road out in the countryside.

MORE BEES

What will we do if the bees are gone? *Kathy Reid-Naiman* ©2014

This song addresses the problem that bees are dying from exposure to chemicals

I sat in the garden on a sunny day
I watched the bees for hours
They flew around from bud to bud
They stopped at every flower.

*(Chorus)*What will we do if the bees are gone?
If honey bees stop humming
There'll be no flowers there'll be no food
There'll be no golden honey

(Chorus)
Bees have been here for millions of years
In every kind of weather
But poisons sprayed on crops and fields
May silence them forever.
(Chorus)
When I think of the plight of the honey bees
It fills my heart with sorrow
I wonder how our food will grow
If bees are gone tomorrow.
(Chorus)

Shake Them Simmons Down

This is a traditional 'play party' from the southern United States. Simmons is short for persimmons. Form a big circle and follow the instructions.

Circle left do do, circle left do do,
Circle left do do, Shake them simmons down.
Circle right do do, circle right do do,
Circle right do do, Shake them simmons down.

Swing your partner.	[then circle left and right]
Do si Do.	[then circle left and right]
Into the center.	

Shake That Little Foot Dinah-O

I like to sing the silly words and the children shake their shakers along with the choruses.

Old Aunt Dinah went to town
Riding a Billy goat leading a hound,
Chorus: Shake that little foot, Dinah-O,
Shake that little foot, Dinah-O.
2. Hound Dog barked, and the Billy goat jumped,
Set Aunt Dinah straddle of a stump,
3. Sift the meal and save the bran.
Give it to the old cow to make her stand,
4. Old Aunt Dinah she got sick,
Called for the doctor he came quick.

NOTES

Use rhythm instruments to tap out familiar songs and nursery rhymes. Use your instrument time as an opportunity to interact with the children and parents to find out which songs they sing at home. If they don't sing at home—encourage it.

BAND

(

How Shall We March (RB)

Use your imagination to march around the town... speeding up when the fire engines get too close, slowing down for the elephants, being quiet when you pass the hospital etc.

How shall we march when we march in a band,
March in a band, march in a band?
How shall we march when we march in a band,
When we all march in a band?

OH OH! There are elephants marching in front us , they're going very slowly, we'd better go slowly too.

We can march very slowly very slowly very slowly
We can march very slowly
When we all march in a band.

OH OH! There are fire engines in the parade – they are going very fast

We better march quickly now:

We can march very quickly, very quickly, very quickly
We can march very quickly
When we all march in a band.

OH OH! Now we are coming to the hospital, we better be quite or we might wake the babies – don't wale the babies!

We can march very quietly, very quietly, very quietly
We can march very quietly
When we all march in a band.

OH OH ! now we are too quiet – the people say they can't hear us – let's give it all we've got!

We can march very loudly, very loudly, very loudly,
We can march very loudly,
When we all march in a band.

OH OH! It's been such a long parade, I am very tired now – let's go home.

We can march back home again, back home again, back home again.
We can march back home again.
When we're finished with the band.

Now we're home, let's tidy up.

Now we can put all our toys away, our toys away, our toys away
We can put all our toys away
When we're finished with the band.
