BAROQUE GUITAR ANTHOLOGIES - press reviews. "This is a significant contribution to Baroque literature teacher and student are the lucky beneficiaries of this great collection. Jens, Stuart and Schott are all to be congratulated." - colin tommis, european guitar teachers association.Â The second volume of this anthology series contains 25 original works by composers of the 17th and 18th centuries, transcribed for guitar by co-author Stuart Willis. Including pieces by Corbetta, Falkenhagen, Gallot and Weiss, amongst others, it offers a wide stylistic range of works, many of which are rarely available. This apparently is the score resource for a textbook. There are keyboard pieces, opera scores, religious works, small and full chamber ensembles. Mostly it uses modern notation, but there are a few facsimiles and an unmeasured prelude. The source of each score is discussed, as are performance issues. The choice of composers is of course arbitrary (41 scores in 360 pages) but very plausible. The stage is set by 8 pre-baroque scores: Pelstrina, Monteverdi et al. The printing is good, the format is handy, yet (for the most part) legible. I'd say this is just about perfect.
