art forms in nature the prints of ernst haeckel

Haeckel's portfolio, f The geometric shapes and natural forms, captured with exceptional precision in Ernst Haeckel's prints, still influence artists and designers to this day. This volume highlights the research and findings of this natural scientist. Art forms in nature explores some of the most representative works of Ernst Haeckel. a painter/drawer/designer born in 1834 in Prussia. He dedicated his talent to faithfully reproduce some of the patterns he observed in nature; and looking to his works; one can only be amazed on how others that call themselves original just copied Mother Nature to create their designs (take for example the Faberge's eggs; or the Sistine Chapel).
