As most of the Inca royal family had been wiped out at the orders of Atahualpa prior to the Spanish entering Cusco, this is the only account we have of such a genetic variation from the common Native people of the area. However, another ancient society that had genetically auburn red hair, and likely light skin color, were the Paracas people of the coast of modern-day Peru. There is a modern highway, laid on top of an ancient Inca road that goes from the Paracas area east and into the highlands, ending in Cusco. Any of the Paracas that were able to escape from the Topara attack would likely have fled on this route. Elongated Skulls. This prevailing civilization flourished between the 15th and 16th centuries, and at its height of power it Read Later. H.
