The Political Economy of Regional Integration. Economic Theories Political Theories An Eclectic Approach Conclusion. 341.Â The Abe Fellowship Program, funded principally by the Ja-pan Foundation Center for Global Partnership, also generously sup-ported my research. I also wish to thank the John Sloan Dickey Cen-ter for International Understanding at Dartmouth College and its director, Michael Mastanduno, for providing me with an intellectual home during the winter term 1998. The political relationship links governmental policies as well as funding together. â€œGovernmental policies determine who are clients, ways that clients may be serviced; funding influences the resources we have to help the increasing number of those in need.â€ (Woodside & McClam, 2011, p. 92).Â ...Delivery of Human Services Program Jakiya Burse BSHS 471 Deborah Machold October 28, 2012 Delivery of Human Services Program Many people rely on human service programs. This paper will discuss the delivery of human service program for men, women, and teenagers. There are various men, women, and teenagers that need help with reproductive health care education. Planned Parenthood provides sex education to men, women, and teenagers. The NBER's Political Economy Program was created in 2006 and has flourished and expanded in a variety of directions since then, reflecting the rapidly growing interest of the profession in this area. Early on, this field was focused on issues that could be strictly defined at the connection of politics and economics.Â Obviously, neither institutions nor human capital are fundamentally exogenous: something else has to explain why certain countries acquired good institutions and/or good human capital.Â The recent financial crisis has revived interest in the political economy of financial markets. For instance, Sumit Agarwal et al.
