The author breaks down prehistoric archaeological sites by time period and then describes, provides background info on, gives directions to, and touring suggestions on each of them. It is an excellent beginning for an in-person study of the topic. The book deals with the Paleo-hunters of the region, the Mogollon, the Hohokam, the Anasazi, the Salado, the Fremont and the Pueblos of New Mexico. Again, excellent research for a trip to Arizona, New Mexico, Colorado and Utah. An informative review of the archaeological sites in the American Southwest. History is included in bite size chunks, along with photographs, maps and sightseeing tips. Great in the armchair and invaluable in dusty shoes. Overall great guide to archaeological ruins of the American Southwe This is a welcome guide for every traveler when they are exploring the southwest, so glad I found it. In this book there is a clear descriptions of each site, time-saving tips for the traveler, nearby towns and other helpful information. Filled with photos of ruins, petroglyphs, artifacts, and maps, this easy to follow book will enhance your trip to the areas listed. Use this book to plan your visit and make the most of each trip. He has long studied the Southwest's deep history and archaeology and traveled widely to photograph ruins, rock art (Rock Art), and landscape. His first book was Ancient Ruins of the Southwest: an Archaeological Guide, a fourth edition of which is in process.

The ruins of the ancient Metsamor Fortress lie to the southwest of Taronik, Armenia. The area was populated from the 5th millennium BC until roughly...¹ MLA Style. Wiener, James B.
