westward edges of expansion and inland rural areas of northern New England that were still sparsely settled. Typical Features: Two-story, rectangular construction.Â Gothic Revival: 1840 â€” 1880. Originally, Gothic architecture was primarily used in religious construction and was popular between the twelfth and sixteenth centuries, giving rise to the monumental cathedrals of England and northern France. Its revival in Europe began during the eighteenth and nineteenth centuries as part of the Picturesque movement. J. B. Rand (fl. c. 1840 - 1880) was a Concord New Hampshire based, justice, notary, inventor, and part time map publisher. Little is known of Rand and his work.
