Heaven's Gate is probably the most discussed, least seen film in modern movie history. So great is its notoriety that it has become a generic term for disaster, for ego run rampant, for epic miscalculation, mismanagement and extravagance. It was also the watershed film of this decade, not for its cinematic qualities but for its effect on Hollywood and the way movies will and will not be made in the future. For Michael Cimino's Heaven's Gate did not merely fail: it sank a studio.Â In answering these questions, Final Cut gives a rare inside look at modern movie-making. Blending wit, extraordinary anecdotes and placing the whole within its historical perspective, Steven Bach has produced a definitive work on Hollywood and its people, on movie-making and its future. Originally published by Cape in 1985 and now available in paperback, a study of Hollywood which looks at the movie industry through a detailed examination of the making of HEAVEN'S GATE, a financially disastrous film, with discussion of budgets and management decisions, co-ordination of production, and the difficulties of producing a movie.Â The file will be sent to selected email address. Final Cut: Art, Money, and Ego in the Making of Heaven's Gate, the Film that Sank United Artists. Steven Bach. 4.0 out of 5 stars 33.Â My usual outlook on disasters and insults gives mountains broad shoulders. The Donner Pass in California trapped a wagon train in a snowstorm long before the war in 1892 that is providing an excuse for the setting of the movie Heaven's Gate. According to the book, Ordeal by Hunger, people were starving in the winter in Donner Pass. After one girl's mother died, the people there had a meal. Then one of the men told the girl, That was your mother you just ate. The girl was still crying after she was rescued and going to school.
