The last age Renaissance lost. 143. Notes. The Age of Johnson. The second half of the 18th c. is sometimes affectionately referred to as the Age of Johnson—a tribute to Samuel Johnson, Britain's most influential man of letters of the day. Johnson, a poet, critic, journalist, essayist, scholar, and lexicographer, was also a talker, a brilliant conversationalist who enjoyed holding forth at coffeehouses, clubs, and parties. He was friends with many of the greatest literary and artistic talents of the time and stood at the center of a lively circle of intellectuals that included his biographer James Boswell, the historian Edward Gibbon, the
