Governance Treasury objectives Treasury policy. 27 27 28 28 31 31.Â These questions are central to the development of business strategy and to the financial criteria for investing. It is essential that the investments will earn enough to cover the cost of funding them and to compensate for the risks involved. Treasury plays a key role in determining the organizationâ€™s financial strategy, working out how to finance the business strategy and how to manage the risks that follow from this.
